Conceptual Painting:

Student should study the subject matter or style or colour scheme of any artist or civilization. Create supportive sketches.

Develop his/her own conceptual painting with help of these supportive sketches and add artist

statement. Show all progress through multi media presentation or showcasing.

Business Development Of your Project: Instagram/Exhibition.

Note:.

It is desired that student selects the best work for the portfolio.

The work space should not exceed from A3 size.

All work must be signed and stamped by the art teacher.
