Q. No. 2 Part (iii)
Right Profession
According to writer, right profession means a
profession that guarantees a profitable livelihood
along with the consideration like interest in job and
mental satisfaction should be given importance.
The scope of any field in terms of market demand
should also be considered.
Land of the contract of the first property of the contract of

Q. No. 2 Part (🗸)
Importance of Career counselling
career counselling departments in schools are
important as parents are unaware of market trends
and scope of any particular field similarly, 14-15 year
old students are not mature to make life changing
decision. therefore, career counsellors are well informed
about market trends so they can play role in guiding
the youth towards a rewarding profession.

Subject: For complaining Bad Quality In adequate supple of water
Respected SIY,
Through the column of your esteemed newspaper,
I want to highlight a serious issue regarding bad
quality and inadequate supply of water in town.
As water is need of every human being.
From the past few days, people of the town are
complaining about the bad quality and inadequate
supply of water which is creating difficulties for
the people. As water is needed in cooking, drinking
and cleaning etc. Due to drinking of bad quality water
people fell ill due and they were reported with viral
infection because of contaminated water. Many people
are also facing shortage of water hence they are
facing problem in doing nousehold works which require
water.
I want you to publish a column about this serious
issue of bad quality water so the Government take
the remedial measures for its olution. Thankyou in anticipation.
Yours sincerely,
X·Y·Z·

First sedimentary rocks were formed when sediments
shifted down under water. Next more sediment
covered the earlier sediment consequently the amount of
water on top of the sediment might have increased.
Additionally its weight put even more pressure on the.
sediment. Finally over million of years, the
sediment become rock. So that the was thurst up
AISO we can see its layer to day in places
like Grand canyon.

Leisure-its uses and abuses

Nowadays life has become very fast and hectic. All people are busy in their routine.

Everyone get a time when he has nothing to do and free from its routine work. That free and repose time is called leisure. Some people utilize their leisure time on the other hand some people waste this time. Leisure is that period of time in which we can relax our mind.

Leisure has many benefits for the person who utilize this time. Leisure can be used to do different activities. Some people spend their leisure in the activity in which they have interest, 30, they can use leisure for their hobby like gardening, stamp collecting, reading books, cooking, playing games. Leisure help us to polish our skills and learn new things. It also helps person to explore new and interesting things. Spending leisure in hobbies or useful activities can also help them earn through these skills. Leisure plays an important role in the developement of the personality of person. ind I came, I saw, I conquered People who utilize their leisure in useful activities become successful·leisure give

influence their minds.
