

**FEDERAL BOARD OF INTERMEDIATE
AND SECONDARY EDUCATION
H-8/4, ISLAMABAD**

No. FBISE/CM/2026/

March 18, 2026

Subject: **INCIDENCE OF WAR, UNCERTAINTY & FBISE EXAMINATIONS ABROAD**

Dear All Concerned!

I hope this letter will find you well.

2. It is to appraise your good-self that the management of Federal Board of Intermediate and Secondary Education (FBISE) is fully cognizant of the prevailing regional crises across Gulf Countries and considering various options including rescheduling of its examination for abroad at Secondary School Certificate (SSC) 2026, scheduled to commence from March 31, 2026. In case of continuity of this security situation and prevailing uncertainty, FBISE would be constrained to postpone the aforementioned examination to the extent of examination centres established abroad and reschedule it at some later stage in due consultation with all stakeholders immediately after Eid ul-Fitr.

3. I assure all key stakeholders in general and students in particular that we are deeply concerned with your anxieties and will make all possible efforts for best suited alternate examination arrangements in case prevailing situation or government restrictions or logistic arrangements prevent the examinations from being conducted as schedule.

With Regards & Best Wishes!

Prof. Dr. Ikram Ali Malik (T.I)
Chairman

- Heads of all affiliated institutions (Abroad)
- Pakistan's Embassies / Consulates in all countries where FBISE affiliates exist
- All Head of Departments, FBISE
