Subject: **INSTRUCTIONS FOR THE CANDIDATES ON THE ROLL NO SLIPS**

As we know that On-Screen Marking has been expanded to the following subject's w.e.f Annual Examinations 2021:

SSC Level	HSSC Level
English Compulsory	English Compulsory
Physics	Physics
Chemistry	Chemistry
Biology	Biology
Computer Science	Computer Science
Mathematics (for Science and Arts)	----

2. Besides, OMR (attempting Objective Type Paper on bubble sheet) which is already in practice at HSSC level, shall be used at SSC level, this year.

3. Tutorials and guidance as how to attempt paper on E-Sheets and how to fill Bubble Sheets are available on the official website and other social media of the Board. However, we should not leave any stone unturned to teach / guide our candidates. It is, therefore, proposed that the written instructions regarding attempting paper on E-Sheets and filling OMR/ bubble sheet may be made a part of the Roll No slip as it's the ripe and proper time to convey these instructions to the candidates. Useful links may also be shared with the candidates through the medium:
